Write On! with Toronto Writers Collective

Do you have a story to tell? We want to hear it.

Meet TWC Mentor: **Jay Teitel**, a Toronto-based writer and editor who has won over 25 National Magazine Awards in categories ranging from Sports to Fiction. He's written two books and several screenplays and stage plays, including a musical about his father's journey through Alzheimer's Disease (Alzheimer that ends Heimer).

Are you working on a memoir, poem, or story and looking for some friendly feedback?

Join *Write On!* A free, drop-in writing workshop, open to all writers.

You will have the opportunity to hone your writing skills in a supportive environment, under the mentorship of a published author, and your work may be featured in a published anthology.

To register or for more information, please call the **Queen/Saulter Branch** at **416-393-7510** or e-mail the Toronto Writers Collective at info@torontowriterscollective.ca
