Write On! with Toronto Writers Collective

Do you have a story to tell? We want to hear it.

Meet TWC Mentor: **Puneet Dutt**, author of *PTSD South Beach* which was a Finalist for the 2016 Breitling Chapbook Prize. Her work has been published in a number of journals and in *Imaginarium 4: The Best Canadian Speculative Writing*. She holds a MA in English from Ryerson University and is currently an editorial board member of *Canthius*.

Are you working on a memoir, poem, or story and looking for some friendly feedback?

Join *Write On!* A free, drop-in writing workshop, open to all writers.

You will have the opportunity to hone your writing skills in a supportive environment, under the mentorship of a published author, and your work may be featured in a published anthology.

To register or for more information, please call the **St. James Town Branch** at **416-393-7580** or e-mail the Toronto Writers Collective at info@torontowriterscollective.ca
