

Do you have a story to tell?

Would you like to help others tell their stories?

The **Toronto Writers Collective** offers creative writing workshops to those whose voices are too rarely heard. In collaboration with **Mood Disorders Ottawa** and local **Community Health Centres** we are expanding to Ottawa and will be offering a **free facilitator training workshop** from **January 31st to February 2nd, 2020**.

Encouraging Voice, Empowering the Unheard

f t i @torontowritersc

Our workshops seek to inspire and empower, helping participants to discover the value of their own stories in an atmosphere of dignity and respect.

By creating a community of writers from all economic backgrounds, races, ages and sexual orientations, people gain confidence and a stronger sense of self.

Our comprehensive 20-hour course helps volunteer facilitators to find their voice and encourage others find theirs.

For Applications and additional information, please contact info@torontowriterscollective.ca or visit [this link](#) to download the application.
